Put More Women in the Picture was researched and published by the National Women's Council of Ireland (NWCII), as part of a project on women in decision-making. The NWCII gratefully acknowledges the support and funding from the NDP Gender Equality Unit of the Department of Justice, Equality and Law Reform.

Funded by the Irish Government and part-financed by the European Union Structural Funds under the National Development Plan, 2000 - 2006.

The photographs in this publication were supplied by the individual bodies, where possible. The publishers gratefully acknowledge these photographic contributions but cannot accept responsibility for errors or omissions. All details are, to the best of our knowledge, correct at the time of print.

Additional photography and direction by Derek Speers
Designed by Penhouse Design
