

SAFE Ireland Domestic Violence Services National Statistics 2010

7,235 individual women¹ received support from Domestic Violence Support Services in Ireland in 2010.

This figure includes...

5,639 individual women who received a wide range of face-to-face supports, including advocacy, emotional and practical support, information, counselling, court accompaniment and/or support groups.

1,545 individual women who were accommodated and received a range of other supports in refuge.

individual women who were accommodated and received support in Transitional Housing.

In total there were 1,993 women admissions to refuges in 2010.

On over 3,236 occasions services were unable to accommodate women and their children because the refuge was full or there was no refuge in their area.

38,629² helpline calls were answered by domestic violence services across Ireland in 2010

More³ than **2,850** individual children received support from Domestic Violence services in 2010.

This figure includes...

2,355 individual children accommodated in refuge and 56 children accommodated in transitional housing.

In total there were 3,402 children admissions to refuges in 2010.

If you or someone you know is experiencing domestic violence There is support available.

See overleaf for contact details of Domestic Violence Support Services

For further information you can visit www.safeireland.ie

The information in this factsheet has been recorded by SAFE Ireland through data collection from our members. SAFE Ireland represents thirty-nine domestic violence services in Ireland

Each individual woman may have been seen by / or admitted to the Domestic Violence service on more than one occasion in the year.

Includes National Freephone Helpline (10,055 calls) operated by Women's Aid in Dublin.

³ The number of children in support services was not included in these statisites as there were a significant number of services that did not record this information.

SAFE Ireland is the national representative body for women's frontline domestic violence services in Ireland. We currently have 39 member organisations that provide a range of services and supports to women and their children experiencing or at risk from domestic violence. The majority of our members also lobby and advocate for societal change in relation to state and community responses to women and children at risk of violence.

There are Domestic Violence Support Services throughout the country ...Free ...Confidential + available to all women.
