### THE DIRECTORS' REPORT (continued)

### YEAR ENDED 31st DECEMBER 2011

#### PRINCIPAL RISKS AND UNCERTAINTIES

The principal risks and uncertainties facing the organisation continues to be the sourcing of new funding and the purchase of a permanent office base.

Funding from Government Departments was reduced in 2011 which impacted on the level of activities which we were able to engage in during the year. The possibility of further reductions in Government funding in 2012 pose a risk to the organisation.

The submission of new funding applications will continue to be a priority for the organisation throughout 2012, as well as the continued implementation of its Strategic Plan.

#### RESULTS

The results for the year are set out in the organisation income and expenditure account on page 7. Over the last number of years the organisation accumulated unrestricted reserves, as a contingency fund, which amounted to  $\epsilon$ 151,034 at the end of 2010. In 2011 the organisation incurred relocation costs of  $\epsilon$ 128,000 and as a result the level of unrestricted reserves at the end of 2011 has reduced to  $\epsilon$ 39,950. The directors regard this level of unrestricted funds as inadequate for contingency purposes and have resolved to try to increase the level of unrestricted funds in the future.

### IMPORTANT EVENTS SINCE THE YEAR END
