

NWC's 10 Key Asks for Budget 2027

Deliver public childcare

Extend free contraception, starting with women aged 36-40

Increase the Fuel Allowance by €5 a week & keep the 32-week payable period

Establish Ireland's first Mother & Baby Unit for new mothers with mental health difficulties

Guarantee a year of paid leave for families after the birth of a child

Resource a Lived Experience Advisory Council to inform policy responses on gender-based violence

Join up policy responses to tackle violence against women & homelessness

Introduce a Universal State Pension

Pause approval of new data centres until households & public services are protected from rising energy costs & grid pressures

Introduce a wealth tax on the top 1% of households
